

# NATIONAL SEATING

## IT WILL FIT... BUT NOT A WILL-FIT COVER

Revive slipcovers are manufactured to fit National Seating Cush-N-Aire series and National 2000 series seats with backs 18" to 21" wide and cushions 18" to 23" wide. You only have to pick the back height of your seat (high, mid, low back) and then choose color and material.

## FAST REFRESH

Since they are manufactured to fit, these covers go on fast and easy. No tools are needed unless you need to remove and/or install arm rests.

## QUALITY MATERIAL

We don't just take any material... the materials used in our manufactured slipcovers are the same materials we have used on our quality seats for years. This means it is both engineering and real world tested for long life.

## ARM RESTS WORN TOO? WANT TO ADD ARM RESTS?

If your seat is equipped with arms or you want to add arms, only simple tools are required for the removal and installation of the arm rests.

## COMPLETE PACKAGE

Each package contains a back and cushion cover and instructions - including how to remove / install the arm rests if equipped.
